

the best creator next to GOD

WELCOME TO GORAL INDUSTRIES

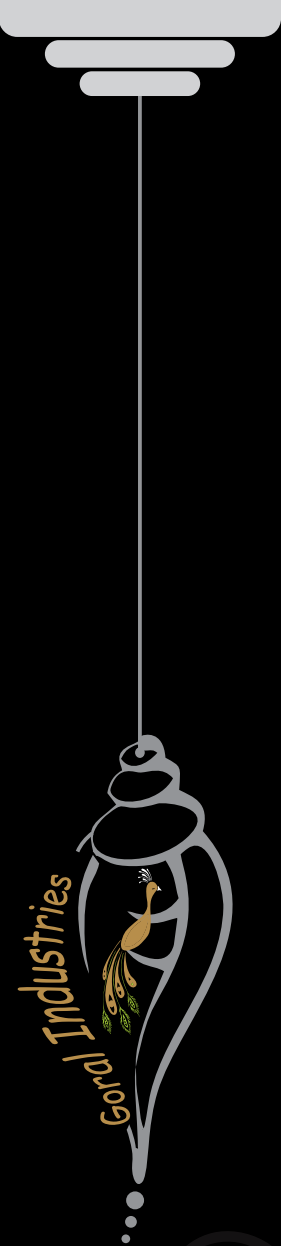

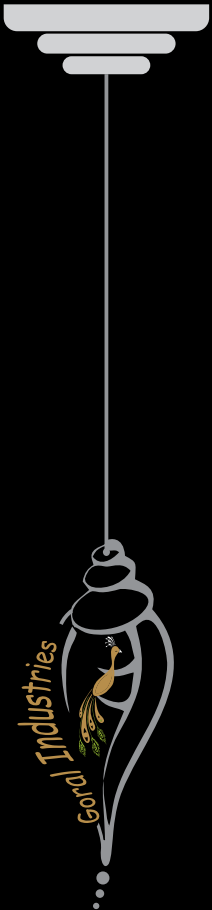

Design is a plan for rearranging elements in such a way as best to accomplish a particular purpose. For an interior design to be successful, the object in it must communicate with one another respond and balance one another.

Goral Industries is well known in the gujarat as well as some region of Indian Market as a manufacturer and exporter of premium quality products in FRP (Fibre Reinforced Plastic) sector. The credit for this world class quality is a result of the adoption of the latest technology available in the Industry. After a modest beginning, a couple of years ago the company has grown rapidly.

TESTIMONIALS

Pravin Radadiya

Chandramukhi Textile, Jetpur

We are satisfied with the work carried out by them. We would like to pass on an appreciation against the Shrinathji idol project executed for our bungalow located at Navagadh-Jetpur. We would like to appreciate your response before/during & after execution of the said project.

We would like to refer your services in future whenever require.

Brijesh Kyada

Riddhi-Siddhi Textile

Marvelous work done by **GORAL INDUSTRIES** for 3D wall mural at our bungalow located at Jetpur.

No one can beat their creativeness and quality given by them in 3D wall mural. They always go for high quality work. They never compromise with quality.

Nilesh Gohel

Interior Designer

Great quality work given by them and we are satisfied with their services & work. They have completed the project within the agreed time frame and the quality & finishing are also satisfactory.

Best wishes for future projects.

Dr. Kartik Patel

MBBS, China

We really enjoyed the great service offered by **GORAL INDUSTRIES**.

We look forward to working with you again.
